

University of Mining and Geology "St. Ivan Rilski"

INTERNATIONAL SCIENTIFIC CONFERENCE

October 23, 2020

Sofia, Bulgaria

INVITATION

Dear Colleagues,

It is my great pleasure to invite you on behalf of the Organizing Committee to participate in the 63rd International Scientific Conference of the University of Mining and Geology "St. Ivan Rilski" which will be held on October 23, 2020, at MGU "St. Ivan Rilski", Sofia, Bulgaria.

The International Scientific Conference of the University of Mining and Geology "St. Ivan Rilski" is a significant international scientific event, which is traditionally attended by world-renowned scientists from Austria, Germany, Canada, Russia, the Republic of Northern Macedonia, Romania, Serbia, Turkey and many others.

The Conference program will provide opportunities for contacts, discussions, future cooperation and exchange of experience in the field of mineral resources exploration, mining and mineral processing, waste management, mechanization, electrification and automation of mining and processing plants, economics and management, humanitarian and social science and a focus on training innovations.

Parallel to the International Scientific Conference, companies from mineral raw materials industry will present their latest projects, products, equipment and services.

On behalf of the Organizing Committee I am very pleased to invite you to participate in our annual meeting, where traditionally science, education and business will share the latest achievements and trends in mineral raw materials industry development and prosperity!

Prof. Dr. Ivaylo Koprev
RECTOR

Chairman of the Organizing Committee
University of Mining and Geology "St. Ivan Rilski"

Conference Working languages: Bulgarian, Russian and English
