

## **POSTER PREPARATION GUIDE**

The poster sessions will take place at the University of Mining and Geology "St. Ivan Rilski" during the coffee breaks.

A poster should have a vertical layout (the shorter side constitutes the basis).

Posters should focus on visual aspects rather than text.

### **Poster specifications**

A poster board should finally have the following dimensions: 60 cm x 70 cm

Title of the poster: A poster should have its title written in Arial font, capital letters, bold, font size 60 points, with a single spacing, left aligned.

The author's name, company and country should be included under the poster title in size 40 pt.

Poster should be printed on high quality paper with photos in high resolution if used.

The other parts should contain a text written in Arial font, size 30 points, single spacing.
